RESALE WITH A REASON

Did you know that you can shop for bargains, clean out your closet, recycle and make a difference to survivors of domestic violence and sexual assault – all at the same time?

Our PennyWise Resale Stores play an important role in supporting the families we serve. Gently used clothing, furniture and household goods donated to our stores are given directly to the families we serve or sold to raise funds for our services.

Every time you donate to our stores or choose to shop with us, you are making a real difference to families affected by domestic violence and sexual assault.

Fort Bend Women’s Center helps survivors of domestic violence and sexual assault and their children to find freedom from violence and fear.

Our Domestic Violence program runs the only dedicated Emergency Shelter for survivors and their children in Fort Bend County, and we are the area’s largest provider of support services such as counseling, education and employment support and housing assistance, for survivors of domestic violence and sexual assault. These services are available to survivors in our Shelter and beyond.

Through our Sexual Assault program, we are available 24 hours a day to help survivors and their families in the immediate aftermath of an assault and to support them as they try to move forward with their lives through counseling, case management and advocacy services.

Our Crisis Hotline is available 24 hours a day.

All of our services are free of charge.

Our goal is to bring healing and hope to survivors and their families.

But we can’t do it on our own. We need your help.

Please join us. Together as individuals, companies and community organizations, we can bring healing and hope to these families, helping them move towards a safer and brighter future.

VOLUNTEER

We could not do everything we do without our STARS - they truly light up the lives of the families we serve!

STARS is Fort Bend Women’s Center’s volunteer auxiliary. Our STARS support all our activities, from working directly with the families we serve to helping us run our special events and working in our PennyWise Resale Stores.

To become a STAR, simply fill in the application form on our website – we will then get in touch with all the details!

Corporate and community groups are also welcome to join us!

DONATE

If you would like to join our cause and support survivors of domestic violence and sexual assault and their children, you can contribute directly via our website www.fbwc.org

You can also talk to someone on our Development Team about monthly giving programs. We value any contribution, regardless of its size.
